## Caring Team Partnership with Schools

The Caring Team for Children is a special team of hundreds of schools, businesses, and community partners that today work together to increase awareness and raise funds for the needs of grieving children.

Since 1989, the Caring Team has raised more than \$5.5 million and has helped thousands of children. Our partnership with 450 schools and what we have accomplished together brings to mind the words of Fred Rogers, Honorary Chairman of the Highmark Caring Foundation until his death in 2003, *"Anyone who does anything to help a child is a hero to me."*

Through Caring Team activities, students and teachers set a great example by giving back to others, especially to the many children and families in need.
