

Teen Room Digital Scavenger Hunt using QR Codes

Clue # 1

If you were an elephant, you'd need lots of space.

If you were a spider, you could crawl anywhere at all.

If you were slick and quick, what would you be and where would you be?

Great, you've found the clue at the fish tank.

Now tell us if you have a favorite pet or animal.

Did your love one have a favorite pet or animal?

Create a group 'creature' using the iPads.

Clue # 2

Sometimes I can be flat or fizzy.

Sometimes I can be hot or cold.

What am I and where would I be?

Great, you've found the soda in the kitchen.

Do you know how to cook anything?

If you do, what is your favorite thing to make?

Did you and your loved one ever cook together?

What is your favorite food or meal that you and your loved one used to have together?

Create a collage of your favorite foods as a group.

Clue # 3

Sometimes I can be quiet or sometimes I can be loud.

Sometimes I'm alone and sometimes I can draw a crowd.

If you like me, you can feel my breeze.

What am I and where would I be?

Great, you've found the air hockey tables in the activity room!

All around this room you see quilts. One of them may be the quilt you and your family made.

Pick something out on one of the quilts and create a story about what you think that object means.

If your quilt is not in this room, tell us the story about an object on your quilt square.

Clue # 4

This is a place where time stands still.

Where would I be and what am I?

Great, you've found our timeline! (How many of you even knew this was here?)

Every one of us has a history as a family just like the Caring Place history.

Tell us something about a relative like your grandparents, aunts/uncles or anyone else in your family that you can remember.

Does your family ever get together or have family reunions?

Do you get a chance to see your extended families for the holidays?

Find a picture of a place you'd like to go in the future using the iPad.

Clue # 5

If you like the sound of your voice, you can hear yourself well in a place like this.

It's nice to see children crowding around me a couple of times each group night.

What am I and where would I be?

Great! You've found the forum and the microphone.

Feelings take lots of energy and time, so sometimes you just need a place to unwind.

If you like "Simon Says", well this would be a good spot to play. Or "Musical Chairs" or the "Sun Shines On" would be fun to play in here too.

Clue #6

They've come from all over, near and far.

Beautiful, camouflage, big, or small, and I bet some may have put one in a jar.

What am I and where would I be?

Congratulations, you have found our butterfly wall.

Pick out your favorite and share it with the group.

As a group, write a short story about a butterfly and an adventure had at the Caring Place. (Think of this as a creating a short story to share with the younger kids attending group.)

Clue #7

I am red and blue.

You'll never find people just hanging out here.

Come yell if you want to.

Congratulations, you made it to the Expressions Room.

Share how you feel when you are in this room.

How do you express yourself?

What emotion is the most difficult for you to manage?

Clue #8

I am available when someone needs answers.

I'm moveable and loaded with lots of pictures.

A few word hints: Puddles, Sarah, Lifetimes, Dinosaurs, Gifts, Leaf, Boat

You did it! You found the book cart!
